

# ACTION GULU CARGO CONTAINER UPDATE

The cargo container has reached it's final destination safe and intact! It is now located at ACTION's Village of Hope in Gulu, Uganda. We have begun to unload and sort the contents of the container. We are beginning to distribute the items inside. The items range from Bibles to lawn maintenance equipment. There is a complete solar system for the Home of Love Orphanage.

We have passed out hundreds of hygiene kits to Victory Kids, Women of Hope, The Butterfly Club and to Staff. They were all blessed by the generosity of all who helped to make this container possible. Every item is like a seed of faith that we are able to plant here in Northern Uganda. At outreaches where we preach the Gospel we are able to hand out practical gifts as well.

Once the container is emptied, it will be remodeled into an office for our Nursery School. Windows and doors will be added along with a fresh coat of paint.

The kits for making reading glasses survived the trip intact. We have begun to give eye tests and distribute reading glasses. We are in the process of training a National worker to produce them.

We look forward to stocking the clinic with needed medical supplies, passing out books and bibles to Pastors and spreading the blessings of all the wonderful gifts that came in the container. We are grateful and pray that God will bless each person who helped make this happen.

*They are to do good, to be rich in good works, to be generous and ready to share, thus storing up treasure for themselves as a good foundation for the future, so that they may take hold of that which is truly life.*

*1 Timothy 6:18,19 ESV*
