Green Light to Go

June 12, 2009

“In all thy ways acknowledge Him, and He shall direct thy paths.” (Psa. 3:6)

Dear friends,

To the glory of God, we (**Lifehouse Village Ministry**) have been allowed to open our **Drop-in Center!** It's been a lot of hard work by our carpenter crew and staff, effective praying by you and sacrificial giving by many. Thanks also to Angie who made the right contacts and who is also a key link in selecting the right “live-in” students.

Earlier today, Angie brought over two moms and potential students for a non-formal discussion. School started on June 1 so we are running a bit late. **But not in God's eyes which is what matters.** On the 15th (Monday), we hope to have at least two boys and two girls to begin this semester. In the next Heartbeat, I'll fill you in on all of the scholastic details plus names.

The working crew seems to have stepped it up a notch and many goals are being reached. Even with Saturday as an optional day off, progress is evident. Two more monthly wages will come into play (Lita the cook and Linda the girl's house-mom so generous giving will be appreciated.

Personally, I refuse to accept the fact that one's energy level decreases with age...so I'm simply concentrating more on the power of prayer. Yesterday, I sent out **Warriors on the Walls #6.** I believe that we now have nine who've committed to pray at least one hour per week for the **Lifehouse Village Ministry.** Now that we have names of children to add, there'll be lots to pray for. Just choose an hour (or more) and send me the date and time of your “sacrifice”. God bless you as we put the evil one on the run.

Praise for the above and I'll also add a few of WoW #6 prayer requests.

1. For a personal increase in wisdom, health, strength and discernment for effective leadership.
2. Pray for the Lord to burden people to give financially.
3. For continued progress on the renovation and preparation for our Drop-in ministry.
4. For His anointing on our Drop-in Center's respective leaders.
5. For the Lord's provisional hand upon the Buchen's in their quest to raise support.

In Christ,

Ron
