"I will praise You forever because You have done it..."(Psa. 52:9)

Dear friends,

Can you feel the heartbeat of these neglected kids? Does it bother you that thousands of them will go to sleep tonight without food, without warmth and without the love of parents? Be honest when you contemplate those questions. Amazingly, you and I can help rectify the situation.

The following is a list of **LDC projects**. Please select the one where you feel that you can help (financially) the most and send in your gift to the **ACTION** office nearest you. They are listed in order of importance.

Thanks for helping financially and I'm aware that prayer is of no less importance. Several of you wrote back regarding **Warriors on the Walls** indicating that you would pray but could not do so for an hour straight. I was so blessed by those of you who gave me your chosen hour...there's 168 in a week. Your names will go up on a chart and we will be praying for you as well.

PRAISES:

1. For an excellent **ACTION** Field conference with Tom Crouse as our main speaker (**John 15:12-17-Love one another**).
2. For the Lord's hand of healing upon Rita Read after sudden and serious kidney surgery.
3. Angie met with **DSWD** in Pampanga over our need to be licensed. They have a new system and will visit us once we're ready to meet their standards.

PRAYERS:

1. For both our prayers (**Warriors on the Walls**) and our financial needs to be met.
2. After another brief stay in the hospital (severe pain), Renea is in the process (right now) of being released. Pray for a complete healing by the Lord and/or Renea's sensitivity to not letting those "inductive" circumstances prevail.
3. With their departure date (Apr. 2) approaching quickly, Don is been put through the fire. Caring for Renea, their three kids, moving their belongings to our **Drop-in Center**, running **Lifeshouse Village** ministry, preparing for their upcoming furlough, etc, it's been tough. Pray for the Lord's strength and wisdom to prevail.
4. The court case regarding Lydia's adoption went well but there's one more scheduled...for April 18. Renea's going to stay behind and once the case is concluded (with no problems); she'll apply for Lydia's passport. Pray for everything to go smoothly and for the Lord to engineer every detail.
5. There's some "hanky-panky" going on regarding the transfer of our **LDC** title. Pray that the fear of the Lord would prevail in those people who are involved.
6. Our Philippine Field Director, Jeff Anderson, left yesterday with his wife, Mary Ann to participate in **ACTION'S International Council** meeting in Calgary. Pray for the Lord's manifestation in every person and every topic.

In Christ,

Ron Homenuke
