The Promises of God

May 22, 2009

**"All the promises of God in Him are Yes, and in Him Amen...." (2 Cor. 1:20)**

Dear friends,

Our Lifehouse Drop-in workers continue diligently six days a week, five staff members have signed and Angie's meetings with DSWD have proved fruitful. We are planning to open our Center in June and have been given a grace period to operate before we need a license.

We have talked to several kids but decisions for "live-in" will not be made until we've had time to observe and evaluate our five-day-a-week Drop-in program. Purchases of needed stuff have been made and I'm thankful for some gracious donors. But we're still hoping and praying for more...especially with the monthly cost of running this ministry when it's full.

Once we get our **Drop-in Center** running adequately (and more funds come in), we'll be able to renew work on **Lifehouse Village**.

My latest prayer letter will soon be sent. That will include a picture story plus prayer need for more **Prayer Warriors**. Twenty-four hours out of one hundred and sixty-eight hours are now being prayed through. Let's **intercede with force and do our part in claiming the victory for Jesus!** Does anyone else want to have their names written on our Prayer Board?

**PRAISES:**

1. For those who have given their time as prayer warriors.
2. For those who have given financially.
3. For Don and Renea being accepted as full-time **ACTION** missionaries.

**PRAYERS:**

1. The need for faithful monthly supporters for our **Drop-in** Ministry.
2. For additions to our **Warriors on the Walls**.
3. For the Buchen's need to raise considerable monthly support.

Thanks for praying!

In Christ,

**Ron**
